

Raikes Residential Home Visit!

A group of Year 2 children from Owls class have been visiting Raikes Residential home for the last few weeks to read books to the residents. It has been an amazing experience for the children and the residents have loved their visits. We hope to continue this great partnership. The children have been great ambassadors for Silsden Primary School. Their behaviour has been exemplary and their show of kindness and gentleness overwhelmingly heartening.

This is the message we received earlier this week from the home. **'The children brought joy into our home'**

Children in Need Fundraising Day:

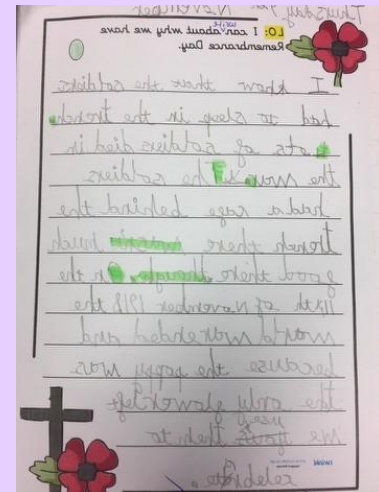

Our School will be supporting Children in Need on Friday 17th November 2017 by having a non-uniform day and collecting coin donations. Wristbands will also be available to buy.

Remembrance Day

The children in Year 2 have been learning about Remembrance Day. They have taken great pride in expressing their ideas and through art and writing.

Welcome to the world baby Teddie Michael!

Now only two weeks old Miss Mills and her family are over the moon with their new addition. I am sure you will join us in sending them warm congratulations.

Book Fair coming soon

We are delighted to be hosting our annual Book Fair during week commencing 27 November. Times to be sent nearer the time. School receives a high commission from the sales which we will use to buy new high quality books for school. Thank you in advance for your continuing support.

Reading challenge update!

Our Reading Challenge is now underway and the children are excited to be taking part. For every book read children will receive a raffle ticket to put in our prize box. There will be book prize each half term – ticket pulled out at random. We would like to stress that it is not a race to read them all quickly. We want children to develop a true love for reading.

Remember: 'A book can take you anywhere and vice versa'

Silsden Library

School is working closely with Silsden Library in the Town Hall. We are donating two sets of the Reading Challenge books to the Library available soon. It is a valuable experience for children to use this wonderful facility in our local community.

Wanted Volunteer Readers....

We are looking for some volunteers to read one to one with our children. If you have any spare time you can give on a regular basis we will be offering training in school. If you are able to offer any time, please let Mrs Bottomley know by Friday 1 December. We are looking to start the reading volunteer programme in January 2018.

Parents Consultation Evening Survey

Thank you for taking the time to respond to our Parent Survey following the consultation evenings. The results have been collated and are available to view on the school website.

Our next parents' consultation sessions will be in March 2018. However, do remember that you can speak to us or arrange a meeting with the class teacher or Mrs Bottomley at any other mutually convenient time.
