## If You're Happy and You Know It

If you're happy and you know it clap your hands,

If you're happy and you know it clap your hands,

If you're happy and you know it and you really  
want to show it,

If you're happy and you know it clap your hands.

If you're happy and you know it nod your head,

If you're happy and you know it nod your head,

If you're happy and you know it and you really want to show it if you're happy and you know it nod your  
head.

If you're happy and you know it stamp your feet,...etc Shout 'We are!' ...etc Do all four...etc

## Everybody Do This

(Everyone has a turn thinking of an action for others to copy then everyone joins in singing  
the verse and copying the action)

Everybody do this, do this, do this,

Everybody do this, just like me!

## Head, Shoulders, Knees and Toes

Head, shoulders, knees and toes, knees and toes,

Head, shoulders, knees and toes, knees and toes,

And eyes and ears and mouth and nose,

Head, shoulders, knees and toes, knees and toes.

Continue singing again and again but each time  
miss out a word but still touch the body part. By  
the end of the song you will just be touching the  
body parts. You can hum instead of singing if  
this makes it easier to follow the rhythm.

## Ten Little Fingers

I've got ten little fingers and they all  
belong to me

I can make them do things,  
Just wait and see!

I can shut them up tight

I can open them wide

I can put them together,

And make them all hide

I can make them jump high,

I can make them jump low

I can put them together and hold them just like
