

Dear Parents/Carers

Would you like to get more involved with our school?

Could you help our children develop their reading skills?

Would you be able to commit to helping at school on a regular basis? Even for as little as an hour a week?

Listening to children read helps children in many ways:-

- ✓ boosts confidence
- ✓ extends vocabulary
- ✓ develops a life-long love of books.

We are looking for volunteers to listen to children read, talk to them about books and encourage them to read aloud.

If you could commit to a regular hour or even longer we would love to hear from you as soon as possible. As you will be working in school we will need to carry out an enhanced DBS check this will be paid for by school.

Please complete the slip below, or contact me via email on:- sarah.carling@silsden.bradford.sch.uk

Thankyou

S.Carling

I would like to register my interest as a reading volunteer at school.

Name My child's name..... Class.....

Possible days and times that I may be able to help (Don't worry this can be flexible)
