Parents of Year 4 children,

19 January 2018

Across this academic year, Year 4 are taking part in a Schools Linking Project. The aim of the project is to link schools and communities together, and support work on SMSC (Spiritual, Moral, Social & Cultural) development. It will also support our current learning themes of journeys and identity.

We will be visiting Beckfoot Heaton Primary School as part of this Schools Linking Project on Thursday 8th February. A return visit will be made later in the year. (More details to follow.) The children have already written a letter and shared their fact files with Heaton and are excited to meet new friends.

On the visit, the children need a packed lunch. If you wish school to provide a packed lunch, please let us know.

For some of the day, activities will take place in Heaton’s woodland area and the children will therefore need to wear trousers that may get dirty and bring wellies to change into. A warm, waterproof top layer is essential. School jumpers should still be worn as usual. This trip will take place during normal school hours.

Please complete the reply slip below to give your permission and return to your child’s class teacher as soon as possible.

We look forward to an exciting learning opportunity.

Regards
Mr Crossley and Miss Miller
