

What else happens in the Nurture Nest?

The first part of every session will be spent encouraging the children to sit together as a group and share a breakfast/snack. This encourages good manners, sharing; taking turns and is a fantastic social time to mirror a good positive, calm morning routine.

We will consistently encourage the children to be kind to each other and respect everybody for being who they are.

Children will be helped to express their feelings and encouraged to channel them effectively.

How would my child benefit from being included in the Nurture Nest?

- Feel happy, safe and valued
- Feel that they are being helped and understood
- Develop greater confidence and self esteem
- Learn to recognise their feelings and express them in an appropriate way
- Learn important coping strategies which will help them throughout the rest of the school day
- Learn new things in a safe and secure environment
