Dear Parents

New Class Briefing for Parents and Children at Hothfield Site

Welcome to the new Silsden Primary School and a new school year.

Children learn best when they themselves, their parents and their teachers are all working together to support their learning, so we are holding a New Class Briefing for all Hothfield Site parents and children next week.

Your child will have the opportunity to show you their new classrooms and introduce you to their new teacher. You will hear about the learning for this term and beyond, the expectations for your child, the routine for homework, PE and more.

We have scheduled the briefings for after school (from 3.40) on the following nights:

Y6 – Monday 11th September

Y5 – Tuesday 12th September

Y3 – Wednesday 13th September

Y4 – Thursday 14th September

Please note that your child will need their new Planner with them.

Your child will come out to ‘collect you’ at the end of school and then bring you into their classroom. We are not able to give an exact finish time but expect the briefing to be no longer than an hour.

Please note that this briefing is in addition to Parents Evening which takes place on the week commencing 9th October where you will have the opportunity to make an appointment to discuss your child’s progress with your child’s teacher.

We want all children to attend and have at least one parent with them for this briefing. I understand that some parents will find this difficult due to work commitments. If it is not possible to take time out of work, please consider another family member attending on your behalf or ask a fellow parent from your child’s class to take your child as well to the briefing and they can collect information for you and feedback to you afterwards.

I hope this is a positive start for children, parents and teachers to all work together to help our children succeed this coming year.

Yours sincerely

James Procter
Co-Headteacher
