

AIRE VIEW INFANT SCHOOL

PARENT / CARER FEEDBACK JULY 2014

- 😊 Thank you to all staff for your hard work and support! We are happy with the progress our son has made and will continue to carry on the support at home with the suggestions in the report
- 😊 Our daughter has really settled into school and loves to go – she has made brilliant progress – we are pleased and so proud. What a brilliant report – Thank you to all the teachers and staff in class...you are fantastic!
- 😊 I am very pleased with my daughter's report. She has loved her time in Nursery
- 😊 Fab comments and I'm super happy that my daughter is settling well. She enjoys coming to school very much. We feel very happy about his school year and report. He has come on so far since coming to Nursery. We would like to thank all staff for all their work with him and for the lovely insightful comments
- 😊 Lovely report. Thanks to all staff in Nursery for the excellent care of our son
- 😊 Very happy how she is progressing. She loves going and is forever asking me to go
- 😊 We are extremely pleased and proud of our daughter's progress and appreciate the nurturing environment where she is taught. Thank you! Her progress is a reflection of the excellent teaching she receives
- 😊 My son has really enjoyed his first year in school. I feel he has been very well looked after by the teacher and teaching assistants, they have all thoroughly engaged him in his first year and I am sure it will be one he will remember for a long time. Thank you very much.
- 😊 Thank you for making our daughter feel welcome and for the smooth transition
- 😊 Thank you for all your hard work, understanding and support this year. Our son has had a fantastic Reception year and has grown into a confident little clever clogs
- 😊 Makes me proud to know that she did so well and integrated into Reception as well as she did
- 😊 A lovely first school report. We take on board the next steps notes and will support his progression. Thank you to all for your hard work, I have been amazed at his progress
- 😊 We are so proud of our daughter! She has enjoyed every second of her first year at school! We would like to thank all the staff especially those who work in her class for their hard work and commitment! Although she will miss her teachers she is really excited about her move into Year 1
- 😊 I am so proud of my child and her achievements at school. Her school report is fantastic. Thank you for supporting her this year. She really enjoys coming to school
- 😊 My son has loved every minute in his class and loves to learn. We are so proud of his progress and are continually surprised by his mazing reading! Thank you for all your hard work

- 😊 My child has gained confidence and found a place where she feels she belongs. Nursery has helped her to come out of her shell and her personality is coming through. She absolutely loves coming and even asks in the holidays. SO it must be 10 out of 10 for her in providing a stimulating environment. Super integration into Reception
- 😊 We were very anxious and nervous about our son starting school at first, but our fears were soon put to bed, by how respectful, thoughtful and professional all the staff were/are in there. He settled in quickly and he loves coming to school, in fact he doesn't like the school holidays. His learning and reading in particular have improved drastically. We are over the moon with everything. So in the end I just want to say a big thank you
- 😊 I think Aire View Nursery is excellent, the staff go above and beyond what I expected. The topics, along with the newsletters mean I know a bit more than my son tells me and can ask questions to help him along. My son had a difficult time settling in but the staff were very supportive and understanding. I am pleased to say he runs in without a second glance at me now. My son has learnt so much this year, which amazes me, as he has a very short attention span, so the staff obviously know what they are doing! I would recommend Aire View Nursery to any parent deciding where to place their pre-schooler
- 😊 This is my second child that has attended Aire View Nursery. I have always had a positive experience. I have seen both my children gain vital skills they needed to prepare them for the long days in Reception, such as independence, confidence and everyday life skills that they will need when I am not there. Both my children have left Nursery with basic reading and writing skills giving them an advantage at what lies ahead in Reception class. Aire View Nursery is fun, creative and explores learning in a beautiful positive environment. My child has loved his year at Aire View Nursery. I was very worried before he started as he hadn't settled at his last Nursery. From the home visit we received from two of his teachers he felt instantly at ease, so from September he never looked back. With the support and encouragement from the Nursery team he has grown massively in confidence. They picked up on him showing signs in his early reading skills and started him on an early reading programme. He has enjoyed this and has really progressed. All of the topics covered each half term in Nursery have been well varied and extremely well thought out. They have been interesting and engaging and thoroughly enjoyed by my son. He has learnt a lot and is happy while doing so. The team and the environment are second to none. Amazing. Thank you
- 😊 Since my child has started Nursery he has flourished. He started in January last year due to his age which I was really pleased with as he needed a bit more than playing at home with me every day. He loves the rules and we often play school at home where he shows me what happens when the bell rings for tidy up time and then we sing Twinkle, twinkle. Each term's theme has given him so much to think about and ask questions. His favourites were learning about the planets and super heroes. I have found the teachers very easy to talk to and they always make sure they have time if you need a word with them. He loves going to Nursery and is really excited about going full time
- 😊 We could not be more pleased with this school report. Looking back at when our daughter began she has come so far. We are so grateful to all the

teaching staff that have given her the best possible start to her school life. Your input will never be forgotten

- 😊 We are very pleased with our daughter's development at school. She has enjoyed the classroom and with your hard work and enthusiasm and making school exciting and fun for the children

KEY STAGE 1

- 😊 Our daughter has loved her year at Aire View (Year 2). We are so glad you found a space for her last summer and wish she had longer with you. It seems to be a very positive and nurturing, community based school. We've really appreciated all the support she has had in catching up and feel she has responded well. The number of activities they are encouraged to get involved in is brilliant. And the creative home learning is hard work but so worth it. She really likes all the teachers she has contact with and her classmates. As newcomers we were all made to feel very welcome. Overall we are very impressed by the constant levels of care and provision and cannot imagine a more supportive environment for KS 1 pupils. We are very glad we made the move. Thank you.
- 😊 We are very sad that the time has come for our son to leave Aire View Infant School. He has grown into a confident, happy little boy during his last year here. We have seen such a change in him; he loves school and enjoys all Aire View has to offer. He has made some very special friends at Aire View that he will really miss. During his time as Playground Buddy he has become a real role model for the younger children in Year 1 and Reception; he will miss them all. Some very special people work at Aire View and they have helped him to become the person he is today. The teacher has been such a positive influence for him; he loves her caring, friendly approach to teaching. She is so wonderful he calls her his second Mum at school. She is such a beautiful person; he will remember her forever
- 😊 My child has had some tricky times at school when he wasn't so happy. It was the help from the parental involvement officer that really helped him. If he has any worries, he now feels confident to talk about it and I know the PIO would be his first port of call.
- 😊 We would like to thank Mr Kitty, the school caretaker. He has made a great friend in Mr Kitty. My son can often be found helping out with jobs and having a chat with Mr Kitty. 'I will miss Mr Kitty. We rescue birds together when they have been injured in our school garden.'
- 😊 My son's learning has really improved and he is much more engaged whilst in class. He really enjoys all the fantastic topics he has been involved in. We would like to thank everybody who has helped our sons whilst they have been part of the Aire View family. We hope he will continue to enjoy school as he moves on to Hothfield. Things we would change...nothing – stay exactly as you are.
- 😊 I think Aire View is a very nurturing school and has helped to develop my child's self-confidence as well as her attainment. I think the school's creative curriculum helps to engage the children and increase their enthusiasm for learning. Keep up the good work!

- 😊 The staff I have spoken with have been absolutely amazing. My child's teacher is always willing to listen and most importantly my children really like her and love coming to school
- 😊 Brilliant creative school. My daughter loves it!
- 😊 You can't improve on perfection and this school is perfect in every way
- 😊 My daughter loves Aire View Infant School – the school is fantastic and all staff and helpers should be proud
- 😊 I feel the school is a great environment and the teachers and staff are great. My children really enjoy school and I couldn't ask for anymore.
- 😊 I really feel that a big effort is made to engage the children in topics; they are really brought to life and that encourages my child to talk about things at home with us
- 😊 Incredibly pleased with my daughter's progress the teacher and teaching assistants are a credit to the school. Their enthusiasm and kindness has made my child's Year 1 experience fabulous. She speaks with great fondness and respect for them and loves going to school. Thank you.

SUGGESTIONS FOR FURTHER IMPROVEMENT

EARLY YEARS

- 1) A note on the whiteboard to state what they have had for snack that session
- 2) Perhaps a brief paragraph about what they have done during the session - ...as my son says he has done 'nothing' when I know for definite he has just by looking in his folder, he has done loads
- 3) Where there are known individual circumstances for children more advance warning to parents with regard to changes would be helpful e.g. the run up to Christmas where there are big changes to routine. This would be particularly helpful for Autistic and adopted or Looked After Children

ADDITIONAL SUGGESTIONS

- 😊 Please can we have a breakfast club?
- 😊 Daily information about what they have been doing at school?
- 😊 Appointments for the March parents evening
