

Taking Pride in Our Learning

Each term, two children from each class in Key Stage 2 are presented with a Pride Award for the care and effort they make with their workbooks. One Award is for consistently wonderful presentation; the other is for improvement to presentation since September.

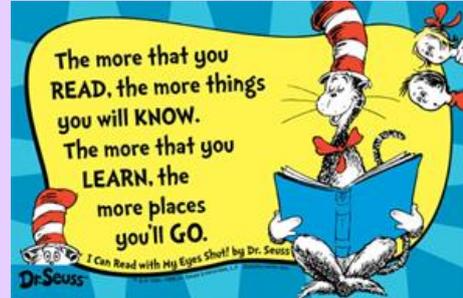

In Year 3, teachers have selected the Award winners this time. In Years 4,5 and 6, class members have looked at one another's' Workbooks and voted for the books that they think show the greatest pride and effort in presentation.

Well done to all our Pride Award winners – and remember that there will be another round of Pride Awards next term as we encourage all Silsden Primary children to take a pride in their workbooks.

Are You Reading the Reading Challenge Books?

Next week in SPOTS assembly we will be holding our Reading Challenge Prize Draw – children will have a ticket in the draw for every Reading Challenge book they have read and winners from each Year Group will receive a copy of a Reading Challenge book of their choice...

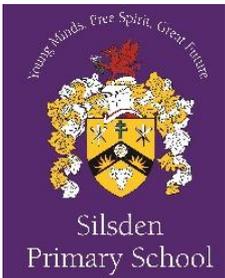

This is all to encourage our Silsden Primary children to read the Reading Challenge books – either on their own or together with a parent or carer...

The more children read, the more success they have with all their learning.

Silsden Primary School children want to raise money for Children in Need on Friday. It is a non-uniform day with a spotty or yellow theme (as usual, children are encouraged to 'go with the theme' but if they do not have anything spotty or yellow, just regular non-uniform clothing is fine).

Donations to Children in Need of any amount gratefully received.

Reproduced here is the message we give to our children to support them if they are feeling bullied... We tell them that if they have a 'feeling bullied' worry in their Worry Bucket, then sharing that feeling with an adult in school enables adults to take action to make things better – and creates lots of holes in their Worry Bucket!

Silsden Primary School Anti-Bullying Policy: Pupil Version

Bullying is not tolerated in our school.

If someone is:

unkind, hurting you or meaning to upset you over and over again and making you unhappy or worried

... then that is **bullying**.

What should you do if you think someone is bullying you?

Talk to someone!

What should you do if you think someone else is being bullied?

Talk to someone!

Being treated unkindly over the internet is **cyber-bullying** – if this has happened at home and involves children from school, you need to talk to someone in school about it.

We will listen to you.

We will investigate the whole story.

We will help and plan with you how we can make things better.

So remember, if you're unhappy at school:

Talk to someone!

- You can talk to your classteacher, Mrs Burgoyne or any adult in school.
- You can leave a note in Mrs Burgoyne's Worry Box.
