RE: The children this week in RE learnt all about different foods. They learnt that different families and communities have different food laws and customs. It was very interesting to learn all about people's different food preferences. We watched the story from the Bible 'Feeding the Five Thousand' and what this story represents to Christians and how special food symbolises special events in the Bible.

- Know that some stories are special to some children

Read story from Children's Bible.

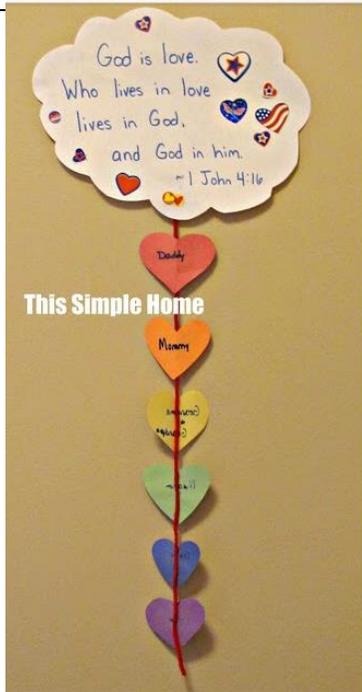

Watch Noah's Ark story on Youtube

Children make rainbows to hang in class with the words 'God's Love is Everlasting'.

In a circle time: Explain why it is important to Love one another in school and to be friends and kind. Tell them why it is not nice to be unkind? Why should we care for others? How is the world a better place if we love one another and not fight or be mean?

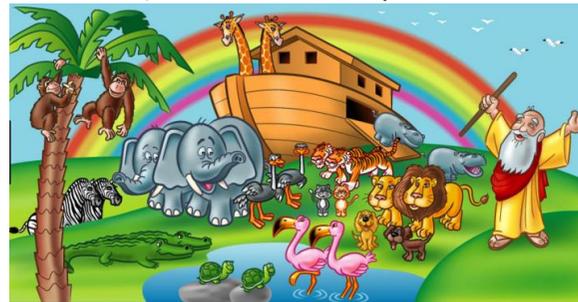

Read a prayer to finish. Put quiet relaxing music on and get children to take their shoes off and to lie in a space on the carpet. Get them to close their eyes and think about the people in the world they love and how they can show love to others.

Paper Plate
Paint
Tissue Paper
String/Ribbon.

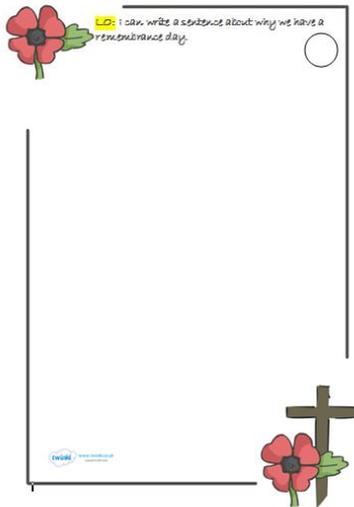

Stick objective in the books below alongside picture of children's work!

In **RE** today the children learnt all about rainbows and how they are a beautiful part of creation. The children learnt what a rainbow means to Christians. The children listened to the story Noah's Ark. The children discussed how it is important to love one another. We learnt that Christians believe the rainbow signifies 'God's Love is Everlasting' and that he promised he would never flood the Earth again.

Objective: why we have a remembrance day
Poppy.

- AT2-Demonstrate empathy towards others' beliefs and practices.
- AT2-Be able to reflect on the meaning of a special day.

Sunday November the 13th

Remembrance Day.

Discuss together what Remembrance Sunday means?
Bring in a poppy and a pin-show them why we wear them and where the money goes towards buying a poppy.
Show them pictures on the Smartboard about the London Remembrance display with all the poppies.

On Sunday it will be Remembrance Day. People wear a special symbol called a poppy. On remembrance day we remember people who have suffered and died in the wars.

Read and watch Powerpoint of Remembrance Day (On teacher's resources).

Have a table of children making poppies using red card/red tissue paper, green art straws and red glitter and black card with a pin to wear around school or for class display.

(To be stuck in their literacy books-must model prior as writing needs to be consistent in all areas). Then have another table completing the writing activity on poppy bordered paper. They are to write a sentence about why we have a remembrance day.

Model: On remembrance Sunday we remember all the people that died in the war.

HA: write independently rest will need support.

Have a photo of the child wearing their poppy and stick at the bottom of their writing bordered paper.

Make stain glass window poppies: laminate for the windows.

Plenary: reflective thinking time.

After the session encourage a quiet peaceful atmosphere. Put on some music and listen to the remembrance song. <https://www.youtube.com/watch?v=2J8FIdFDEaw>

ICT:

15-20 mins, all children on the carpet

Introduction: Share the lesson objective with the children and encourage them to list the success criteria. Discuss Christmas, Divali and Hannukah. Tell the children these are called *Festivals of Light*. What do we do at Christmas? Ask the children why they think light is important to them and make a mind map of their answers.

Activity: Light a candle. Ask the children to think about how light makes them feel while you read the story. Read the story *Can't you sleep, little bear?* Reflect on the candle and the light in the story – *how does light make you feel?*

25-30 mins, children in their literacy groups

Activity: children have a 'candle' template. See example sheet. Children use shiny metallic paper for the candle flicker. They are to write labels around it to say the feelings they associate with light, for example happiness, bright, joy, hope, love, warmth, kindness, peace, relaxation, calm... etc. Show good examples as a plenary!

John the Baptist Work: Focus on Baptisms and Names.

Discussion: Why do some people get baptised?

Teaching:

Baptism goes back to the time of Jesus. Jesus had a cousin called John. John baptised people, and so he was known as John the Baptist. John was a preacher. He told people about God. He spoke to the crowds, and told them that they should live the good lives that God wanted for them. He told the people that they were 'sinners', because they had done bad things in their lives. John warned them that God will judge all people for what they do in their life. He said God wanted them to stop, and turn away from their bad ways. He told them to seek God's forgiveness for the things they had done wrong. The people listening were moved by what John was saying. They wanted to put things right with God straight away. This is where baptism started. By being immersed (or dunked!) in the water of the River Jordan, people showed their willingness to be washed from their bad ways, and to try to live God's way from then on.

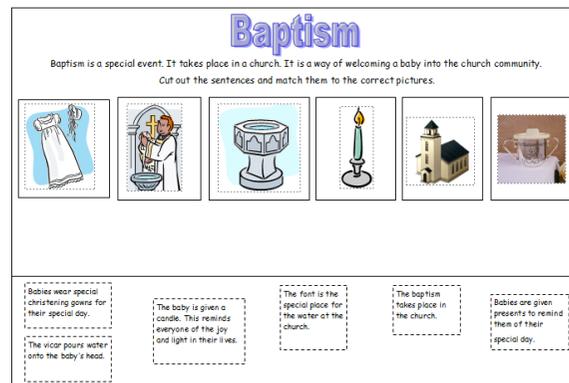

Explore the infant baptism ceremony, including the promises made and the role of Godparents. Symbols include water - purification, scallop shell - pilgrimage, candle - the light of God.

Children write about Baptisms and what they mean to Christians. Take photo of the children completing a pretend baptism at the front of the class and stick with work completed.

LA: children complete the cut and stick baptism. Matching the sentences to the pictures.
The rest of the group: complete the writing activity to the picture. They are to sound out a sentence.

MA: respond to the questions.

HA: write sentences for example 'This is a font. It is used to pour water over the baby's head. It symbolises new life and washing away sins.'

RE: Christian Festivals: Christmas activities

(See first if the teacher has done this in the literacy lesson if so, please move on to week 8-or you could do some Christmas art activities, finishing off Christmas cards, advent calendars, tree decorations etc)

Ask the children what do they know about the Christmas story? Scribe their answers on the board. Watch the 'Xmas story' on the Topmarks website or Espresso website, The Christmas Story. Tell them that it is not all about presents and that it is a Christian celebration. Christians go to church on Christmas day to remember it's Jesus Birthday. Talk about advent too and the build up to Christmas day.

Children order the story: shrink pages down so they can fit in their literacy books.
HA: write own sentence using time connectives.
MA: write simple sentences remembering full stops and capital letters.
LA: they will say the sentence and order (supported).
