02 July 2018

Dear Parent/Guardian

The purpose of this letter is to confirm to parents of current year 1 children, to be year 2 children in September 2018, that swimming lessons for your children will commence upon return to school in September. Lessons will take place in the pool at Hothfield Street, the John Stanley Bell Memorial Pool.

Detailed information will be provided in September regarding pool staff and the lesson teaching plans. Year 2 children will be swimming on Thursdays and Fridays in September from the week commencing Monday 10 September 2018. No special equipment is required, only a towel and swimming costume and a bag which will hang on your child's coat peg. Armbands, floats, swim fins etc, if required, will be provided at the pool.

We ask for £18 per term towards the lessons, £54 per year, which is reduced to £50 if the fees for all 3 terms are paid in full in September. There are 30 lessons each school year, 10 lessons per term. This works out at £1.80 per lesson which is a comparatively low fee. As a charity, we depend upon these fees to fund the lesson arrangements as we receive no government or local council monies to pay for the lessons. Unfortunately, if we do not receive any payment for your child then they will not be able to swim. If your child already swims elsewhere and/or you do not want them to have lessons through school then you will be able to indicate this in September and they will stay in school when the other children go for lessons. Children in receipt of pupil premium (free school meals) will have their lessons paid for via the pupil premium scheme.

Swimstart wishes everyone a lovely summer holiday and the pool staff look forward to meeting the new year 2 children in September. Please contact me if you have any enquiries about school swimming in the meantime.

Kind regards.

Yours sincerely

J Conway (Mrs)
Pool Manager, Swimstart
