Dear parents and carers

### After school sewing/knitting and Lego Activities

A few weeks ago I confirmed our extra-curricular activities for the Summer Term and mentioned that our Lego and sewing/knitting activities would continue through Silsden Sprouts and would provide further details before the Easter break.

I can confirm that these after school activities will take place on the following evenings at Silsden Sprouts and if you would like for your child to continue to complete these activities then you will need to register for that specific evening through Silsden Sprouts.

Monday 3:30pm – 4:45pm – Sewing / knitting.

Wednesday 3:30pm – 4:45pm – Lego.

The charge for these activities will be £4/session and will be held at our Aire View site. All KS2 children will be escorted to Silsden Sprouts at 3:30pm and you will need to collect your child from the Aire View site.

You can book these sessions by completing the registration and booking form which can be found on our school website or you can complete the online registration form via our website. You can also request the relevant forms by e-mailing [sprouts@silsden.bradford.sch.uk](mailto:sprouts@silsden.bradford.sch.uk). Acceptance at a session secures your child's place at Silsden Sprouts until you give notice.

If our structured activities for sewing / knitting and Lego is to cease in future we will give you notice so you can decide whether you still would like your child to attend Silsden Sprouts. As with the terms and conditions for Silsden Sprouts, which are available to view on our website, you will be invoiced each half-term for the sessions that you have booked.

If your child is already booked into Sprouts on those days and session times then they will be able to access the sewing/knitting activities on Mondays and LEGO on Wednesdays along with lots of other activities that will be available to all children at Silsden Sprouts

Yours sincerely
