

Week 3: Monday 20th April

For the first half of the summer term, we will be doing a '**Gallery Rebels**' topic. This is an art-based topic so if possible, please make sure you have basic art materials in the house – i.e. plain paper or a sketchbook, felt pens and coloured pencils. Do not worry if you don't have these in – there will be opportunities to do any practical tasks 'digitally' as well.

Every day: Vocabulary Challenge – Word of the Day; Get active for at least 30 minutes.
