

Week 6: w/c Monday 11th May

For the first half of the summer term, we will be doing a '**Gallery Rebels**' topic. This is an art-based topic so if possible, please make sure you have basic art materials in the house – i.e. plain paper or a sketchbook, felt pens and coloured pencils. Do not worry if you don't have these in – there will be opportunities to do practical tasks 'digitally' as well.

Every day: Problem of the Day; Get active for at least 30 minutes.

Monday

Maths – Angles in special quadrilaterals

English (Grammar, Punctuation and Spelling – GPS) – Using the active and passive voice

English (Reading) – Framed (Frank Cottrell-Boyce) – pages 210-222
