

# Marvellous Me Song Sheet

## If Your Happy and You Know It

If you're happy and you know it clap your hands,  
If you're happy and you know it clap your hands,  
If you're happy and you know it and you really  
want to show it,  
If you're happy and you know it clap your hands.

If you're happy and you know it nod your head,  
If you're happy and you know it nod your head,

If you're happy and you know it and you really want to show it if you're happy and you know it nod your head.

If you're happy and you know it stamp your feet,...etc Shout 'We are!' ...etc Do all four...etc

## Everybody Do This

(Everyone has a turn thinking of an action for the others to copy, then everyone joins in singing the verse and copying the action.)

Everybody do this, do this, do this,

Everybody do this, just like me!

## I've Got a Body

I've Got a body, a very busy body,  
And it goes everywhere with me!  
And on my body, I've got some hands,  
And they go everywhere with me!  
With a clap, clap here, clap, clap there,  
Clap, clap, clap, clap everywhere!  
I've got a body, a very busy body,  
And it goes everywhere with me!  
(repeat with stamping feet, nodding head, clicking tongue, sssshing lips, blinking eyes etc.)

## Head, Shoulders, Knees and Toes

Head, shoulders, knees and toes, knees and toes,  
Head, shoulders, knees and toes, knees and toes,  
And eyes and ears and mouth and nose,  
Head, shoulders, knees and toes, knees and toes.

Continue singing again and again but each time miss out a word but still touch the body part. By the end of the song you will just be touching the body parts. You can hum instead of singing if this makes it easier to follow the rhythm.

## Ten Little Fingers

I've got ten little fingers and they all  
belong to me  
I can make them do things,  
Just wait and see!  
I can shut them up tight  
I can open them wide  
I can put them together,  
And make them all hide  
I can make them jump high,  
I can make them jump low  
I can put them together and hold them just like  
so (put on knees).
