Year 1 Learning Leaflet

14.9.20

Welcome to Year 1! It is lovely to see you all back. The children all seem happy, settled and ready to learn. We have really enjoyed getting to know your children so far and we hope they have told you about how amazing it is to be a year one child! This year the children will enjoy a range of cross curricular learning activities.

The curriculum will continue to be child centred, engaging and creative. We are keen to ensure a smooth transition from Reception to Year 1. We are an approachable team and we look forward to working with you and your child throughout the year.

Superheroes!

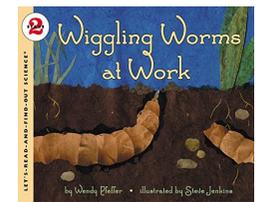

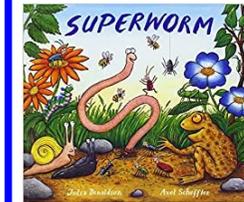

Who's your favourite superhero? Spider-Man? Wonder Woman? Maybe your heroes are ordinary people who've achieved great things. Or is it those people who save lives in our emergency services that you admire the most? We shall be using these as inspiration to explore key values such as kindness, courage, cooperation and reflection.

Dates for the diary

18.9.20– Meet a real-life superhero!

23.10.20– Close fro half term

Please can you ensure all your child's clothing is clearly labelled, particularly jumpers and cardigans.

English

In Literacy this half term we will be focusing on using our phonics and saying our own sentences before we write them. We will have daily phonic sessions; working from your child's starting point. We shall also be writing labels, lists and captions and character descriptions.

We will be reading a range of books linked to our topic such as 'Supertato', 'Superworm' and 'Wiggling worms at work'.

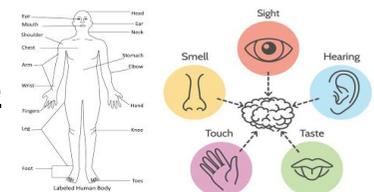

We will work hard on letter formation and handwriting, making sure that all of our letters are correctly formed.

Maths

- ◆ Place Value
- ◆ Addition and Subtraction
- ◆ Shape

Science

In Science we will identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.
