

Creative Home Learning Ideas

Superheroes

Below are some ideas based around our new topic. Please read the ideas to your child and let them choose which activities they would like to complete at home with you or on their own. We would like the children to complete at least 2 activities. Your child has been given a home learning book to complete the activities in, (if appropriate). Please can they return this book when they have completed all the activities they wish to do by the last Wednesday of each half term, so that they have time to show their wonderful work!

- Listen and hum along to the tune from your favourite superhero TV programme. Can you remember all the words?
- Use information books and the web to find out about Guinness World Record holders and their superhuman achievements.
- Make a flipbook showing the adventures of a superhero stick person!
- Plan or make a lunchbox fit for a superhero.
- Make up a song or rhyme about a superhero. You could sing about their strengths and skills.
- Make a model of a superhero. You could use modelling dough, cardboard boxes and tubes, scraps of material or paper-mache.
- Interview someone who works for the emergency services about their job.
- Who is your hero? Bring a picture of them to school and explain to your classmates why you chose them.
- Read a newspaper with a parent or watch the news and see if you can spot any stories of people doing heroic things.
- Design (on paper or using a computer) a poster featuring a new superhero such as Anti-Litterman and convey their important message.
- Take pictures of yourself being a 'superkid' at home. Maybe you tidied your bedroom or helped wash the dishes? Bring your pictures to school and explain to your classmates what you did and how it helped your family.

Thank you for your continued support, it makes such a difference to your child to work together as a 3 way partnership – Parent, Child and Teacher.
