

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy (4 English sessions per week, 3 Guided Reading, 2 Spelling)	Maths 5 sessions per week	Topic & Science (Darwin's Delights – 4 sessions per week)
Monday	To plan and draft an animal fact file.	Using BIDMAS for the order of operations (brackets, indices, division/multiplication, addition/subtraction).	<ol style="list-style-type: none">1. Artificial Selection / Selective Breeding. Should humans interfere with evolution?2. DT challenge (2 sessions) – to make and test your floating garden model.3. End of unit review and assessment. What have you learnt about evolution, adaptation and inheritance?
Tuesday	To draft and edit an animal fact file.	Efficient strategies for mental calculation.	
Wednesday	Guided Reading: Mixed skills to consolidate learning so far (retrieval, meaning of words, inference, sequence) Spelling: Recap challenge words so far.	Reasoning from known facts (e.g. $3 \times 4 = 12$ so $3 \times 40 = 120$ and $30 \times 40 = 1,200$).	
Thursday	Black History Month – The Windrush Generation / Reasons for immigration.	End of unit assessment – four operations (+ - x ÷).	
Friday	Reading and discussion – Kensuke's Kingdom.	Arithmetic (using Twinkl Y6 SATs Practice Test 5).
