

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy	Maths	Topic
Monday	Writing a short story	Number line to 10,000 - fluency	Naming main parts of the digestive system
Tuesday	Writing a short story	Number line to 10,000 - reasoning	Understanding the main parts of the digestive system
Wednesday	Editing a short story	Comparing 4 digit numbers - fluency	Investigating the skills of Viking and Saxon warriors
Thursday	Publishing a short story	Comparing 4 digit numbers - reasoning	Making a Viking shield
Friday	Prediction of new English text	Year 4 Arithmetic	Investigating the everyday skills of Anglo Saxons and Vikings
