

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy	Maths	Topic
Monday	Predicting our next genre and subject	Counting in 25s - fluency	Making a Viking shield
Tuesday	Exploring how non-fiction can be presented	Counting in 25s – reasoning and problem solving	Understanding the functions of the parts of the digestive system
Wednesday	Identifying the features of non-fiction text	Negative numbers - fluency	Writing a storyboard to show the digestive system
Thursday	Understanding book blurbs	Negative numbers – reasoning and problem solving	Virtual visit from the Life Caravan
Friday		Year 4 Arithmetic	Making a Viking shield
