

Creative Home Learning Ideas

Scrumdiddlyumptious

Below are some ideas based around our new topic. Please read the ideas to your child and let them choose which activities they would like to complete at home with you or on their own. Try to complete at least 2 activities by the end of the half-term. We would love to see your amazing home learning so make sure you bring it in to share by **Monday 14th December 2020**, ready for our Topic Showcase.

This half-term we are also running a competition for **National Bread Day** on **Tuesday 17th November 2020**. There is more information regarding this to follow over the coming weeks.

Have fun and send a Class Dojo to any of the Year 3 Team if you have any queries regarding home learning activities.

Please continue to read at home with your child as much as possible (at least 3 times per week) and sign your child's reading record. Please ask them questions about what they have read to help develop their comprehension and understanding.

Thank you for your continued support, it makes such a difference to your child to work together as a 3 way partnership – Parent, Child and Teacher.
