

**Year 4 Week Beginning 16th November**

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy	Maths	Topic/Science
Monday	Understanding possessive apostrophes	Addition & subtraction: missing numbers questions	Investigating solids, liquids and gasses
Tuesday	Writing our own poems	Efficient methods of subtraction	What are vaccines?
Wednesday	Planning a performance	Estimating answers	Experiment to explore viscosity
Thursday	Performing our poems	Addition & Subtraction: end of unit assessment	Studying Edward Jenner
Friday		Year 4 Arithmetic
