

Year 1 Learning Leaflet

Topic

Art and Design - Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

Geography –

- Name the world's 7 continents and locate Africa and Europe on a map.
- Understand geographical similarities and differences through studying the human and physical geography of Silsden and the Kalahari Desert. What animals could you find?

PE– Exercise with Joe Wicks!

PSHE– Wellbeing through stories.

ICT– Mastering zoom!

Maths

Addition & Subtraction (within 20).

- Addition– counting on.
- Subtraction– counting back.
- Comparing addition and subtraction statements.

The children will build on their place value knowledge to:

- Represent numbers to 50.
- One more one less.
- Compare numbers within 50.
- Order numbers within 50.

This leaflet will give you an insight into what your child will be learning this half term via zoom!!

Paws, claws and whiskers

About this topic

Soft fur, sharp claws and twitching whiskers... What's your favourite animal? One that meows? One that barks? Or maybe one that scurries or slithers?

From pets at home to animals in a zoo. Let's find out what animals like to eat and where they like to sleep.

Dates for the diary

Friday 12h February– School closes.

English

The story we are focusing on this half term is Meerkat Mail. We will be writing our own:

- Animal Facts
- Character Descriptions
- Postcards & addresses

We will continue to have daily phonic lessons, practise our handwriting and up-level a piece of writing each week.

RE

In RE this term, the theme is friendship and why Christians believe Jesus is a good friend. Through stories and discussions we will be thinking about what makes a good friend?

Science

The children will identify and name a variety of common animals that are carnivores, herbivores and omnivores. They will also describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals.).
