

Reception Weekly Time table

Below is the weekly live lesson time table for Reception. Zoom Meeting IDs and Passcodes are circulated by your child's class teacher via Class DoJo. Please make sure you have access to this. Teachers are online 5minutes before and 5minutes after each live lesson to talk to children. It is important that children join in with this as much as the learning.

Parents are encouraged to give children active break times, **outside if possible**, after each session.

Please see Seesaw for follow on learning challenges and additional activity ideas to supplement the curriculum.

Parents can also undertake additional activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. Home learning work can be shared with class teachers on DoJo or SeeSaw.

If you are struggling with supporting your child with remote learning, then refer to the help guides that are on our website. If these do not help, contact the school office to discuss your particular needs with a member of the Senior Management Team.
