

# Creative Home Learning Ideas

## I am Warrior!

Below are some ideas based around our new topic. Please read the ideas to your child and let them choose which activities they would like to complete at home with you or on their own. Try to complete at least 2 activities by the end of the half-term. We would love to see your amazing home learning so make sure you send us photos on dojo.

- Write some number calculations using Roman numerals, for your friends to solve.
- Find out the dates of birth of your family and friends and record them in Roman numerals.
- Research Roman life using books from your local library or trusted websites.
- Find out if there are any Roman forts or settlements near where you live. See if you can watch a virtual tour.
- Look at Roman artefacts in detail on the British Museum website. Create a PowerPoint presentation, showing the artefacts that most interest you, and provide information about what they were used for.
- Look at holiday brochures and online information to find out about modern day Rome as a tourist destination. Which tourist attractions would you like to visit?
- Read a book or watch a film on a Roman theme. Write a review to let your classmates know what you thought about it.
- Write a diary entry as if you are a Roman soldier. What is your typical day like?
- Create a word search or crossword puzzle containing some of the key Roman vocabulary you have learnt. Share your puzzle with your family and friends.
- Make a model of a Roman villa or a colosseum using junk materials, Lego or things you can find around the house. Use online images to inspire you.
- Make a drawing of a Roman god or goddess. Write a fact file of information to go with it.
- Have a go at dressing up as a Roman and have a photoshoot. Send in the pictures to share with the class.

Have fun and send a Class Dojo to any of the Year 3 Team if you have any queries regarding home learning activities.

Please continue to read at home with your child as much as possible (at least 3 times per week) and sign your child's reading record. Please ask them questions about what they have read to help develop their comprehension and understanding.

Thank you for your continued support, it makes such a difference to your child to work together as a 3 way partnership – Parent, Child and Teacher.
