

# Year 3 Learning Leaflet

## Topic

**Art and Design** - Artist studies: Hockney and Turner

**Design Technology** - Making boats that float. Designing, building and evaluating bridges

**Computing** — An introduction into coding using Scratch.

**Geography**—Rivers around the world, features of rivers, the water cycle, flooding and areas in the world without water.

**PSHE**— Health and Well-being: We will be looking at activities with Harold and his friends focusing on healthy lifestyles and growing and changing.

## Maths

This half term we will be focusing on Fractions.

The children will also be recapping elements of the maths curriculum that they aren't as confident with following lockdown learning.

## Don't forget!

- Times table rock stars, Numbots and Spelling Shed, these logins are stuck in the back of Reading Records.
- Regular reading, we suggest you aim for the 3 times a week as you did in KS1 (even if it is the same book) or read books from the online Reading Scheme— Reading Planet. Reading books will be changed on **Tuesdays** and **Fridays**.
- Creative homework tasks, which will be available on Silsden Primary School website.

## Flow

Well done everybody! We had a wonderful time last half-term welcoming you back to school and we can't wait to see you all again this half-term.

This term we will be looking at the topic Flow. We will be learning all about local and world rivers. We've got lots of fun activities planned, starting with a short walk in our local area to find a natural source of water.

# Flow

## English

This half term we are going to start by looking at figurative language. We are going to use this learning to write a shape poem based on the pictures in the book 'A River' by Marc Martin.

Our second text this half-term will be the Children's Classic 'The Wind in the Willows'. We will explore different versions of the text and write our own retelling of the story. I wonder what the mischievous Toad will get up to in our tales!

**RE**—Children will be learning about Hinduism with the learning question "How can Brahman be Everywhere and in Everything?"

**French**— Foods and learning verbs with the topic I can...

**Music**—Exploring musical elements through performance and composition.

## Science

This half term the children will be learning all about plants. The children will have great fun exploring this topic in detail. They'll have opportunities to dissect plants, look at how water is transported through them and the factors which are essential for plant growth.
