Year 1

# Year 1 Learning Leaflet

## Superheroes

### Maths

This half-term in Maths we will be focusing on numbers with 10. The children will be looking at the place value of these numbers and then begin to use them when adding and subtracting.

We will also be introducing the children to NumBots this is an online maths game that will support your child as they learn counting, number bonds and simple addition and subtraction.

### PSHCE/RE/Music

PSHCE – All our PSHCE learning this half-term will be around the theme ‘Being my best’.

RE – Does God want Christians to look after the world? Wonderful Earth by Nick Butterworth.

Music – The children will focus on one of these units each term; Performance and Composition, Hey You unit, In the Groove.

### Science

This half-term in Science we will be focusing on the topic ‘Animals including Humans’. The children will be learning to identify, name, draw and label the basic parts of the human body. They will also be exploring their super senses and learning which body parts these are associated with.

### About this topic

Our first topic this year is Superheroes and we are asking the big question...

Why do we need Superheroes?

We will be looking at the qualities/traits that Superheroes have and how they use their super skills to help us.

We look forward to receiving lots of creative home learning as the children explore the real-life superheroes they know in their own lives.

### English

This half-term in English we will be exploring the text Supertato by Sue Hendra and writing our own superhero adventure stories. We will then look at some real-life superheroes using the text A Superhero Like You by Dr Ranj and the children will write their own fact-files.

Developing a love of reading will be our biggest focus in Reading this half-term. We will be sharing stories, engaging in lots of talk about books, performing poetry and singing some key songs. We will also continue to build our phonetic knowledge through our daily phonics sessions.

### Topic

Art and Design – Superhero identity self-portrait, Roy Lichtenstein artist study, Pop Art

Design Technology – Fruit Kebabs
