

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy	Maths	Topic
Monday	Features of a letter	Place Value Rounding to 1 million - reasoning	Topic Can you find information about the River Nile?
Tuesday	Modal verbs. Can you use these in sentences?	Place Value Negative numbers - fluency	Reading Club Non-fiction: The River Nile
Wednesday	Can you look at reviews online and create your own based on a mystery train journey?	Place Value Negative numbers - reasoning	PE Football and Netball
Thursday	Y5 spellings. How many do you know?	Place Value Roman numerals	Topic Can you use the information that you found (about the River Nile) to create a tourist poster?
Friday	N/A	Arithmetic Mental addition	Science How efficient are vacuum flasks in keeping drinks cold?
