

Year 6 Week Beginning 13th September

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy (4 English sessions per week, plus 3 Reading and 2 Spelling or Grammar)	Maths 5 sessions per week	Topic & Science (Darwin's Delight / Evolution and Inheritance – 4 or 5 sessions per week)
Monday	English: What makes a good story?	Number and Place Value: Comparing and ordering 6 and 7- digit numbers – Varied Fluency	Topic 1. Looking at the journey of Darwin's iconic ship, HMS Beagle. Science 2. Discussing one of Darwin's key theories, Evolution. What evidence is there for it? 3. What do fossils tell us about evolution?
Tuesday	English: How does the flashback add to a story? Why is it there, what is its purpose?	Number and Place Value: Comparing and ordering 6 and 7-digit numbers – Reasoning and Problem Solving	
Wednesday	English: Write a setting description about the Galapagos Islands. Reading: Reading for pleasure	Number and Place Value: Rounding to the nearest 10, 100 and 1000 (recapping year 5 skills) - Fluency	
Thursday	English: Write a recount about a character's experience, stranded on a deserted island in the Galapagos. Reading: Y6 Reading Adventure	Number and Place Value: Rounding any number (Including to the nearest 10,000, 100,000 and million) - Fluency	
Friday	Reading: Reading for pleasure	Arithmetic: Twinkl Y6 test 2	

	Reading: Looking at Y6 Reading Adventure
