

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy (4 English sessions per week, plus 3 Reading and 2 Spelling or Grammar)	Maths 5 sessions per week	Topic & Science (Darwin's Delight / Evolution and Inheritance – 4 or 5 sessions per week)
