

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	English	Maths	Topic
Monday	Y3 – English – Portia Spiders – Non-Chronological Report Lesson 11 – To explore complex sentences.	This week will involve some revision of Y2 objectives Y2 – Maths – Multiplication 2, 5, and 10 Lesson 1 – Using the multiplication symbol. Lesson 2 – Identifying that multiplication is commutative.	Science Find out about friction using the link below: https://www.bbc.co.uk/bitesize/topics/zsxxsbk/articles/zxqrdxs Can you think of any examples when friction is a useful force? Draw some pictures and label the forces to show where friction is useful.
Tuesday	Y3 – English – Portia Spiders – Non-Chronological Report Lesson 12 – To investigate suffixes: More plurals.	Y2 – Maths – Multiplication 2, 5, and 10 Lesson 3 – Using the division symbol when sharing.	RE: https://www.whychristmas.com/story/the_christmas_story.shtml Use this link to learn more about the Christmas story.

		Lesson 4 – Using the multiplication symbol when grouping.	Retell the story in a creative way.
Wednesday	Y3 – English – Portia Spiders – Non-Chronological Report Lesson 13 – To write complex sentences for a report.	Y2 – Maths – Multiplication 2, 5, and 10 Lesson 5 – Solving division problems when sharing. Lesson 6 – Solving division problems when grouping.	Topic: Greek Gods and Goddesses Research some of the Greek Gods and Goddesses. Zeus is the most powerful god but who do you think stands a chance of beating him. Create a fact file about your chosen god or goddess. Include a picture, what they are the god of, they symbol and any other facts. Don't forget to explain why you think they could beat Zeus.
Thursday	Y3 – English – Portia Spiders – Non-Chronological Report Lesson 14 – To write the first section.	Y2 – Maths – Multiplication 2, 5, and 10 Lesson 7 – Finding related multiplication and division facts.	Science: Experimenting with friction. Use a toy car to test different surfaces around your home. Which surface has the most friction? Why do you think it slows the car down the most? Draw a picture of your experiment and write a couple of sentences recording your findings.
Friday	Y3 – English – Portia Spiders – Non-Chronological Report Lesson 10 – To develop a rich understanding of words associated with the jungle (part 2)	Y2 – Maths – Multiplication 2, 5, and 10 Lesson 9 – Solving multiplication word problems: Table of two. Lesson 11 – Relating multiplying by 2 to doubling.	Y3 – PSHE – Yes! It's our world, our wonderful world! Lesson 2 – Reduce, reuse, recycle.
