

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy (4 English sessions per week, plus 3 Reading and 2 Spelling or Grammar)	Maths 5 sessions per week	Topic & Science (Darwin's Delight / Evolution and Inheritance – 4 or 5 sessions per week)
Monday	English: Writing sentences in the active and passive voice. GPS: Commas	Fractions: Comparing and ordering fractions by finding a common numerator	Topic 1. Answering questions about why World War 2 started. (Key information about the countries involved) 2. How Europe looked during World War 2 in 1941. Which countries had sided with Britain and Germany? Which countries had been invaded and surrendered? 3. Introduction to life as an evacuee. What was the children's life like who had to evacuate?
Tuesday	English: Writing a formal speech in role as Boris Johnson announcing lockdown in March 2021 (Model focussing on GPS skills from this topic – formal writing, passive voice and subjunctive form, plan and draft) GPS: Commas	Fractions: Adding and subtracting fractions with different denominators (Fluency)	
Wednesday	English: Continuation of Tuesday's lesson Guided Reading: Chapter 7 – Boy in the Striped Pyjamas followed by inference focus	No Maths due to weapons awareness talk by PCSO.	
Thursday	English: Editing our speeches Guided Reading: Chapter 8 – Boy in the Striped Pyjamas followed by inference focus	Fractions: Adding and subtracting fractions with different denominators (Reasoning and problem solving)	
Friday	No English Guided Reading: Chapter 9 – Boy in the Striped Pyjamas followed by retrieval focus	Arithmetic Friday (Long division practice)
