

Below are the main teaching objectives that are being taught in your child's year group this week.

Parents should access the OAK National Academy and access the relevant subjects and lessons. This will give children a range of activities and lesson sequences to follow at home. Please use this link to access. <https://classroom.thenational.academy/subjects-by-year>

Parents can also undertake activities that are on their child's **Home Learning Activity Sheets** which can be found in the **Letters** section of the School Website. These are updated each half term.

If your child is unable to access the learning for their year group, as they find it too difficult, please look at the same subject from the previous year groups.

	Literacy	Maths	Topic
Monday	Microwave write Write a formal letter to Mr Russell convincing him to change the barn (in the car park) to something you'd enjoy.	Division 4 digits by 1 digit division – fluency	Science Craters
