

# Year 3 Learning Leaflet

## Topic

**Art and Design** — Roman Mosaics

**Computing** — An introduction into coding

**History** — The Stone Age through to Roman Britain. We will look at the Roman invasion of Britain, Roman Soldiers and gladiators, Boudicca and life in Ancient Rome.

**PSHE** — We will be looking at responsibility—how we can help keep each other safe, what a volunteer is, how we can be responsible for money, and looking after our local environment.

## Maths

This half term we will be finishing off our unit on time, looking at AM and PM and looking at digital time. We will then be looking at fractions, ordering them, finding equivalent and adding and subtracting them.

We will continue to work on our times tables so remember TTRS!

## Don't forget!

- Times table rock stars, Numbots and Spelling Shed, these logins are stuck in the back of Reading Records.
- Regular reading, we suggest you aim for the 3 times a week (even if it is the same book) or read books from the online Reading Scheme — Reading Planet. Reading books will be changed on **Tuesdays** and **Fridays**.
- Creative homework tasks. Try to be creative with these and we encourage children to bring them in anytime over the half term so that they can be displayed to inspire learning.

## I am Warrior!

Well done to everyone who completed some home learning last half term, the Topic Showcase was very successful. During this half term the children will be answering the key question 'What was life like for a Roman Soldier?' We will be continuing our work on Pompeii and we will explore life as a Roman Soldier and Gladiator.

# I am Warrior!

## English

This half term we are going to be exploring different styles of writing including a news paper and a speech.

We will be looking at the disaster of Mount Vesuvius and learning about how Boudicca lead Britain to revolt against the Romans.

**RE**— Children will be encouraged to respond to the question 'What is so good about Good Friday?'

**French**— Continue to speak about musical instruments and animals whilst adding new vocabulary about fruits, vegetables and shapes.

**Music**— Exploring musical elements.

## Science

This half term the children will be learning all about light. We will explore that we need light to see and that light is reflected from surfaces. They will understand the importance of sun safety and how shadows are formed by blocking a light source.
