

# Creative Home Learning Ideas

## Land Ahoy!

Below are some creative home learning ideas based around our next topic. Please read the ideas to your child and let them choose which activities they would like to complete at home with you or on their own. Try to complete at least 2 activities by the end of the half-term. We would love to see your amazing home learning so make sure you send us photos on dojo or bring it in to school so that it can be shared with your class.
