

# BLUE ABYSS

## HOME LEARNING

Why is the ocean blue?

Make a model explaining why it is blue.

What facts can you find out about sharks? How can we protect them? Make a leaflet of your research.

Make a model of a shark or marine animal using paper mache.

Investigate how plastic is threatening our oceans. What can we do about it? Create a poster informing people of what they can do.

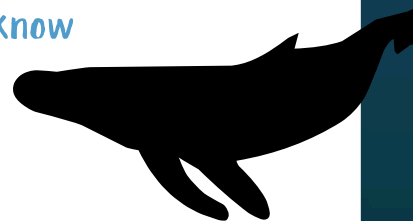

Write a speech about why we should protect the ocean. Be persuasive!

Make a quiz about the ocean to ask the year group. Make sure that you know the answers!

Find out about the story of Atlantis. Make a comic strip about the story.

Make a 3D model of the Ocean sea bed. Show the mountains under the sea.
