

Year 6 Learning Leaflet

English

Our final work of the year will link to our Mayan history topic and will provide the Children with the opportunity to write their own folk tales inspired by Gods, Goddesses and legends.

Our class story will be the fabulous story, 'Wonder' by RJ Palacio. This book fits very well with the idea of transition and moving on.

Science - Electricity and Light

Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit.

Use recognised symbols when representing a simple circuit in a diagram.

Understand that light travels in a straight line and explain how this enables us to see.

Investigate shadows and how they change in relation to the light source.

Maths

Investigations and consolidation

Summer 2: Hola Mexico!

We hope that your child has an enjoyable and memorable end to their primary school experience and therefore you will see that the 'Dates for the Diary' section is longer than normal! We hope to mark the transition in other ways as well. Transition is a key word for the final half-term and we will support the children fully to help them be ready to move on to the next step in September!

Dates for the diary

WB 17th June– Science Week

Friday 28th June - Year 6 Pen-y-ghent walk

Monday 1st July- South Craven Transition Day (other schools TBC)

Tuesday 9th July– SAT Results into School
