School**

12<sup>th</sup> July 2024

Dear parents

As you will be aware, in September 2024 we are taking our catering in house and therefore we are reviewing/ updating our Catering documents to ensure we are compliant.

The meat that is used in our main meal option does not comply with Halal requirements however you may have noticed that there are several times during the menu that we do offer alternative meal options that are made with Halal approved methods.

This option is not available to pupils unless we have received express consent from parents. Many of you have given express consent for your child to be able to choose this option, if they would like. That consent will no longer be valid as we move to in house catering and a change in provider.

If you would like to provide express consent for your child to select the Halal option, you will need to complete a new SPS Halal Consent Form for Non-Muslim Children.

One is attached, should you wish to print and return to school. Alternatively, we will be sending one home with children who have already given consent, on Monday.

Kind regards

## Halal -Consent Form for Non-Muslim Pupils

Dear parent / guardian

Silsden Primary School provide a range of halal foods. Meat is provided by JW Youngs, who are approved providers to school by Bradford Council for Mosques. They are compliant of the approved un-stunned method of halal for the consumption by Muslims, and also comply with Government Nutritional Standards for food in schools.

Meals are cooked onsite and prepared in line with guidance issued by the Bradford Council for Mosques.

In order for your child to select these Halal options, parents must provide express consent for their child to be able to choose the halal option.

If you consent to your child selecting the halal options for school meals, please complete the section below and return it to the school office. This consent till stay on file for the time your child is at Silsden Primary School.
