

SPS CHRISTMAS SILENT AUCTION

Mr Hollingworth, our Estates Manager has made these lovely festive characters and they have been stood outside our school for the past few weeks. With School closing on Thursday, we are looking for permanent homes for our lovely characters.

If you would like to own one of these, we are holding a Silent Auction and the highest bidder at 12pm on Thursday 19th December will be able to take one of these lovely, hand made Reindeer or Snowman, home for Christmas. Any monies raised will be invested in our Outdoor Learning Area.

All you need to do is complete the attached link, with which lot/s you would like to bid for, the amount you would like to bid, and your contact details – you can bid for as many as you would like, just complete a separate bid for each item.
